

# Erykah Badu, That Hump

If I could get over that hump  
Then maybe I will feel better  
Maybe I wont fall  
If I could get over that hump  
Then maybe I will

Lord knows I'm  
Lord knows I'm trying  
Said Im tired (of this shit)  
This dope (dope)  
But it make it better  
But its dragging me lower  
Hey and I know it, yes  
Lord knows  
But if I  
If I could get over that hump baby  
Then maybe I will feel better  
Maybe I wont fall (I wont)  
If I could get over that hump  
Then maybe I will

Oh, I just, I just want to fly far away (far away)  
Oh, I'm living check to check  
Just trying to pay my rent  
And I can feel it  
Coming down around me and these children  
A boy, a little girl and  
Shes so pretty  
Oooh feel me  
We just need a bigger house  
Go with God with a spouse, this building, building  
My brother's sleeping on my floor  
A bitch could use a little more

If I could get over that hump  
Then maybe I will feel better  
Maybe I wont fall  
If I could get over

Since we are lying here  
Know I want, I want, I want you, boo, to know  
I aint never done dope to cause  
Only a smoked a joint or two  
Betwixt me and you, boy  
I know people that do it  
Day and night and night and day  
Day and night and day and night  
But I cant judge nobody  
Cuz what if it was you  
What if it was you  
Bring it back girl, said  
What if it was you  
You

Lord knows Im  
Lord knows Im trying  
Ooh, said Im tired, yeah  
Of this dope, ooh  
Tired of this dope  
Of this dope  
Tired of this dope  
Of this dope
