Erykah Badu, Times A Wastin

Yeah

Times a wastin
Dont you take your time young man
Keep on driftin and
Aint no tellin where youll land

Run baby, run, run
Where you runnin to?
And who you runnin from?
Some people may not understand
What it means to be a man
Takin' full command
Cause were

Livin in a world thats oh so strange
Boy dont let your focus change
Takin out the demons in your range, hey
Livin in a world thats oh so fast
Gotta make your money last
Learn from the past, oh

Times a wastin
Dont you take your time young man
Keep on driftin and
Aint no tellin where youll land

Sweet love and sunshine
If its all in the air
Then its all on your mind
Breathe baby
Come back to the world
Dig up all your pearls

Teach the boys and girls, hey

Livin in a world thats oh so strange
Boy dont let your focus change
Takin out the demons in your range, hey
Livin in a world thats oh so fast
Gotta make your money last
Learn from the past, oh

Oh baby we need to smile
Oh baby we need to smile
Oh baby we need to smile
Oh baby we need to smile

Times a wastin
Dont you take your time young man
Keep on driftin and
Aint no tellin where youll land

Oh baby we need to smile
Oh baby we need to smile
Oh baby we need to smile
Oh baby we need to smile

Oh, oh, oh, oh...

Times a wastin
Dont you take your time young man
Keep on driftin and

Aint no tellin where youll land

Aint no tellin, oh, oh...
