## Erykah Badu with Stephen Marley, I'm in love witl

[Marley]

And she says she needs more than a friend

That's all I ever been yo

Well one day you gon' overstand yo

And I remember the first time that we met yo

How could I forget ya?

When you smiled

And I turned and said to you

Yo, your pure and true

I'm in love with you, in love with you

I'm in love with you, in love with you

I'm in love with you, in love with you

I'm in love with you, in love with you, yeah

I'm so in love baby

I don't care what your mama say

Standing in love lady

And I don't care what your sister say

Yo... I need ya

[Badu]

He said he's really diggin me

I don't know what to say

I can't imagine why I feel so weak, say, say

That's when he took my heart in his hands

And kissed it gently

He opened up his lips then said this poetry

I'm in love with you, love with you

I'm so in love baby

I don't care what your brothers say, no

I'm so in love baby

I don't care what the people say

[Marley & amp; Badu]

Well I try and I try and I try

And I try and I try and I try and I try

[Marley

And you said you need more than a friend

That's all I've ever been yo

Well one day you gon' overstand yo

[Badu]

And when I look In your eyes

I know that you were meant to be

My solider so baby come on

I mean it desperately

[Badu & Marley]

I'm in love with you, love with you

I'm in love with you, in love with you

No see I'm in love with you, love with you

No, no, no I'm in love with you, in love with you

I'm so in love baby

I don't care what the people say
