Whether or not you can survive death, thats the ultimate test for your ass ain't it. So far don't nobody we know has passed the ultimate test. Least of all this nigga layin here. Cuz this boy wasn't shit, I'm gonna tell you that right off. I say him kickin his moma's ass over ther on 47th street. And if you think we gonna ban you with those diamonds and shit on you got another thing comin. I'd like to introduce the boys woman, Oh bitch I dunno what she was. she's layin over ther in the booth. Say girl. What you doin? Well dont sell your pussy in here. If you do I wanna cut. shit. Yo fault the nigga dead.
