

Esham, Tony Montana

I've Been Yelling "Reel Life" For About 10 Years
Now My Eyes Will Shed Not No More Tears
I'ma Cold Hearted Nigga In A Cold Ass World
Blow Your Ass And Get Wet Like A Jerry Curl

I Went From Selling Rock Cocaine To Doing Them Bigs
Got A Reputation On For Splitin Them Wigs
Ain't No Palm Trees No Movie Stars
Just Big Time Ballas And Fancy Cars

Got A Lifetime Dream To Have Major Cream
The Way I'm Having Things It Can Almost Seem
Like Ain't No Nigga Fronting Me No Keys
Fuck A Fast Food Job, Working Mickey Ds

I'm Just A Young Black Nigga Trying To Stay Alive
I Work Myself Like Michael From The Jackson 5
I Got No Time For The Police All In My Face
I Know Many Niggas Out There Got A Murder Case

Nigga Please My Whole City's Under Siege
But The Question Is Do They Believe That Im Coppin My Keys
Aint No Nigga Frontin Me No Keys
Aint No Nigga Frontin Me Keys

I Said Aint No Nigga Frontin Me No Keys
Aint No Nigga Frontin Me Keys
I've Been All Around Town Try To Push It Down
I Once Was Lost But Now I'm Found

Sellin Rocks On The Corner Til The Break Of Dawn
This Shit Is For The Niggas That Be Gettin It On
Big Time, I Know Sometimes You Lose Your Mind
When The Streets Be Dry, Your Money Be Hard To Find

Cant Nobody Tell Me Bout Life And Pain
Cause I Been Through It All With The Rock Cocaine
See My Momma Was A Junkie Ever Since I Was Born
I Was Dead At Birth So I Was Born No More

Im From Detroit City Where The Streets Be Rough
And I Think This Rhyme Is Over Cause I Feel I Said Enough
