

# Eskobar, Bones

bones  
heal my bones  
stones  
bones  
fear in my bones  
stones

waiting 'round for so long it hurts  
denying all for so long makes worse  
hearing all for so long it hurts  
n' my bones

bones  
heal my bones  
stones  
bones  
fear in my bones  
stones

waiting 'round for so long it hurts  
denying all for so long makes worse  
hearing all for so long it hurts
