

# Eskobar, To The Moon

I'm going on to the moon  
Leaving here pretty soon  
To be with you

I'm going on to the moon  
Leaving here pretty soon  
To be with you

I am someone else now  
I am someone else now  
I am someone else now  
To you

I'm going on to the moon  
Leaving here pretty soon  
To be with you

I'm going on to the moon  
Leaving here pretty soon  
To be with you

I am someone else now  
I am someone else now  
I am someone else now  
To you
