

Eternal Decision, Hunger

Hunger
A hunger in my soul
I hunger for your word
I hunger
Only you can make me whole
You satisfy my thirst
I hunger

I have strayed
From your will
On this path I've chosen
I had closed up my heart
But now it's open.

Here
Here am I
Come
Come live inside

Hunger pains in my soul
Telling me I'm empty
Well I can see what I need
Your word can complete me
Cannot move, cannot think
Without you with me
What I need, you freely give
Renew my thinking
