

# Eternal Decision, Something Strong

Once there was a time in this painful world.  
I found myself alone again.  
Waiting for someone to melt this heart of stone  
I needed more than just a friend

Well, I don't want to guess, I just want to know  
Tell me all that you feel, I want to tell you something real  
I'm only wanting God's will, Well, I don't want to say  
I feel something strong  
Tell me, I need to know how you feel  
Well, I don't want to wait, Now it won't be long

Now there is a time in this fateful world.  
I'll never be alone again.  
Waited for that someone who sees like me  
I've made myself wait for the same
