

Eternal, Who Are You ?

Who, who (who), who, who are you baby

Who's that in the corner?
Is a-standing there?
Is a mystery
Who are you baby?

Where do you come from?
Where do you live?
Where do I find you?
To you my love I'll give
I'm trying to find you
Since I've seen you in my dreams
I wanna know
Are things as they seem?

(My heart) Is waiting for you to approach me
(My life) Is in need of you so desperately

No need to worry

So tell me baby
Am I the one you choose?
