## Etta James, I Just Want To Make Love To You

I don't want you to be no slave I don't want you to work all day But I want you to be true And I just wanna make love to you

Love to you, ooohooo Love to you

All I want to do is wash your clothes I don't want to keep you indoors There is nothing for you to do But keep me making love to you

Love to you, ooohooo Love to you

And I can tell by the way you walk that walk
And I can hear by the way you talk that talk
And I can know by the way you treat your girl
That I could give you all the loving in the whole wide world

All I want you to do is to bake your bread Just to make sure that you're well fed I don't want you sad and blue And I just wanna make love to you

Love to you, ooohooo Love to you, oooh

And I can tell by the way you walk that walk
And I can hear by the way you talk that talk
And I can know by the way you treat your girl
That I could give you all the loving in the whole wide world

Oh, all I wanna do, all I wanna do is cook your bread Just to make sure that you're well fed I don't want you sad and blue And I just wanna make love to you

Love to you, ooohooo Real love to you, ooohooo Love to you, ooohooo
