

# Etta James, If I Can't Have You

I don't want nobody  
If i can't have you  
oh i can't love nobody  
unless i'm loving you

chorus:

the way you hug me  
the way you squeeze me  
the way you kiss me  
ya ya ya ya ya ya ya ya

if i can't have you  
i can't talk to nobody  
unless i'm talking to you  
i don't wanna hold nobody  
unless i'm holding you

chorus

the way you hug me  
the way you squeeze me  
the way you kiss me  
ya ya ya ya ya ya ya ya

if i can't have you  
i can't be kissing nobody  
unless i'm kissing you  
i just don't i just don't i just don't want to be bothered with nobody  
unless i'm bothered with you

chorus

the way you hug me  
the way you squeeze me  
the way you kiss me  
ya ya ya ya ya ya ya ya  
if i can't have you
