

Etta James, My dearest darlin

All I need
Is someone like you
My dearest darling
Please love me to
Within my heart
I pray your answer's yes
I'll make your life
Full of happiness
Every minute
I'll be there by your side
Oh, I pledge my love to you
With God as our guide
Oh nothing, nothing, nothing in this world
Can keep us apart
Unh my dearest darling
I'm offering you my heart
Oh, yeah whenever you need me
I'll I'll be there by your side
Oh I pledge my love to you
With God as our guide
Oh nothing,nothing,nothing in this world
Can keep us apart
Unh my dearest darling
I'm offering you my heart
Unh my dearest darling...
