

Eugene Wilde, You Are So Beautiful....

Now.. that i've finally
have this chance to say..
That I'm Proud..so happy
Nine months
Is a long time too wait..
Excitement shows on my face.
Knowing that January..
Is your Due date.

The doctor will say "Congradulatons"
And i'll say..

That your are so beautiful... (to me)
You are So beautiful (beautiful)
You are So beautiful..
A special gift for the world to see...

My job
is to protect you..
And teach you right from wrong.
Make things..as comfortable
as possible..
And your smile..
Really captivates me.
Your such a bundle of joy...
You make me happy
when i'm feeling
sad...
You are the one thing
That I never had...
And you are so...
beautiful....

(repeat chorus
till fade)
