

Eugenio Finardi, Barny Ard Mama

Barnyard mama!
Time to go!
Early mornin
Lill Red Rooster loves to crow!

Barnyard mama wont you
Come and help me now!
Have some breakfast then
Well both go milk the cow!

Without a little girl to come and lend a hand
A farmers life can get so hard
I need your magic touch
So much around the yard

Barnyard mama lets go out and
Make some hay!
Grab my pitchfork,
Well just stack it up all day!

Without a little girl to come and lend a hand

Barnyard mama!
Dont ever stop!
Watch them piggies roll and
Watch them bunnies hop!

Without a little girl to come
And lend a hand
