

Eugenio Finardi, Mama Left Me

My Mama left me, a long time ago
Why she had to leave me
I just dont know

Oh Pretty baby, why you treatin me so bad
Youre the meanest evil woman
That I ever had

Oh why Mama, why do treat me so
If you really dont love me
Why dont you let me go

But when she loves me
She makes me feel fine
But when she loves me
I wanna make her mine
When she loves me
I wanna make her mine
Because she makes me
She makes me feel so fine

My Mama left me, a long time ago
Why she had to leave me
I just dont know
Why she had to leave me
