

# Eugenio Finardi, Sweet Surrender

They call me Sweet Surrender  
Cause I never give at all  
They call me Sweet Surrender  
Cause I never give up at all  
When my baby takes me higher  
I just get ready for the fall

Try to be cool as water  
To be mellower than wine  
Try to be cool as water  
To be mellower than wine  
So when my baby drinks me up  
Im gonna make her feel so fine

They call me Sweet Surrender  
Cause I never give up at all  
They call me Sweet Surrender  
Cause I never give up at all  
When my baby takes the blue train  
I just give my friend a call
