

# Eureka Birds, Oh! My Dear

There's an unexplained creaking underneath my floorboards  
And if you listen close you can hear the most haunting sound

Listless days trickle away in school  
Across the room without a clue I see you  
To her I never seemed much  
To me she was a dream what horrible luck had I  
Our eyes would never meet  
Her cries were of defeat  
They crept up my spine

Oh my dear I sent her off!  
Oh my dear she's down down

In later years I built my home here  
To rest beside familiar ground away  
But oh! the crackles and the moans  
Up and down my bones  
I can't undo them  
And now I'm losing sleep  
The creaking underneath it makes me shiver

Oh my dear I cut her up!  
Oh my dear she's down down
