

Eurythmics, Beethove (I Love To Listen To)

Listen to
listen to
listen to

I love to listen to
I love to listen to

I love to listen to
I love to.

Take a girl like that and put her in a natural setting

Like a cafe for example.
Along comes the boy and he's looking for trouble
With a girl like that
with a girl like that.
Who knows what they'll decide to do

Who knows what they'll get up to?
I'd love to know
wouldn't you?

I love to listen to
I love to
I love to listen to Beethoven

I love to listen to Beethoven

I love to listen to Beethoven
I love to.

You think you know just what you want

But you hove used that weapon against me.
Did I tell you I was lying by the way
When I said I wanted a new mink coatz
I was just thinking about something sleek
to wrap around my tender throat.
I was dreaming like a Texan girl.
A girl who thinks she's got the right to everything

A girl who thinks she could have something extreme.

I love to listen to
I love to

I love to listen to Beethoven

I love to listen to Beethoven

I love to listen to Beethoven
I love to.
