Eurythmics, Beethoven

Take a girl like that And put her in a natural setting Like a cafe for example. Along comes the boy And he's looking for trouble With a girl like that With a girl like that. Who knows what they'll decide to do. Who knows what they'll get up to. I'd love to know. Wouldn't you?

I love to listen to beethoven...

You think you know just what you want But you have used that weapon agianst me. Did I tell you I was lying by the way When I said I wanted a new mink coat. I was just thinking about Something sleek To wrap around my tender throat I was dreaming like a texan girl A girl who thinks she's got the right to everything. A girl who thinks she should have Something extreme.
