Eurythmics, Cold

Come to me Do and be done with me (Cold cold cold) Don't I exist for you Don't I still live for you (Cold cold cold) **Everything I possess** Given with tenderness Wrapped in a ribbon of glass Time it may take us but God only knows How I've paid for those things in the past Dying is easy it's living that scares me to death I could be so content hearing the sound of your breath Cold is the colour of crystal the snowlight That falls from the heavenly skies Catch me and let me dive under For I want to swim in the pools of your eyes I want to be with you baby Slip me inside of your heart

Don't I belong to you baby
Don't you know that nothing can tear us apart
Come on now come on now come on now
Telling you that
I loved you right from the start...
But the more I want you the less I get
Ain't that just the way things are...

Winter has frozen us
Let love take hold of us
(Cold cold cold)
Now we are shivering
Blue ice is glittering
(Cold cold cold)
Cold is the colour of crystal the snowlight
That falls from the heavenly skies
Catch me and let me dive under
For I want to swim in the pools of your eyes
