Eurythmics, In This Town

I could be anywhere else but here But the rain won't let me go. There's a photograph Hanging on my wall Of a place I've never been to... I'll never make the grade (Feels like Sunday everyday) And I can't stop the rain (Feels like Sunday everyday) What do the papers say? (Feels like Sunday everyday) Get up and go now!

In this town - something's gotta change.
In this town - something's gotta change.

I'm looking at the world -Looking for a scene -Waiting for a day -Filling in time like I'm digging My own grave... I'll never make the grade (Feels like Sunday everyday) And I can't stop the rain (Feels like Sunday everyday) What do the papers say? (Feels like Sunday everyday) Get up and go now!

(Chorus repeats...)
