

Eurythmics, Love Is A Strange

Love is a stranger
In an open car
To tempt you in
And drive you far away

And I want you
And I want you
And I want you so
Its an obsession

Love is a danger
Of a different kind
To take you away
And leave you far behind
And love love love
Is a dangerous drug
You have to receive it
And you still cant
Get enough of the stuff

Its savage and its cruel
And it shines like destruction
Comes in like the flood
And it seems like religion
Its noble and its brutal
It distorts and deranges
And it wrenches you up
And youre left like a zombie

And I want you
And I want you
And I want you so
Its an obsession

Its guilt edged
Glamorous and sleek by design
You know its jealous by nature
False and unkind
Its hard and restrained
And its totally cool
It touches and it teases
As you stumble in the debris

And I want you
And I want you
And I want you so
Its an obsession
