

# Eurythmics, Sisters Are Doin' It For Themselves

Now there was a time when they used to say  
That behind every - &quot;great man.&quot;  
There had to be a - &quot;great woman.&quot;  
But in these times of change you know  
That it's no longer true.  
So we're comin' out of the kitchen  
'Cause there's somethin' we forgot to say to you (we say)

Sisters are doin' it for themselves.  
Standin' on their own two feet.  
And ringin' on their own bells.  
Sisters are doin' it for themselves.

Now this is a song to celebrate  
The conscious liberation of the female state!  
Mothers - daughters and their daughters too.  
Woman to woman  
We're singin' with you.  
The &quot;inferior sex&quot; got a new exterior  
We got doctors, lawyers, politicians too.  
Everybody - take a look around.  
Can you see - can you see - can you see  
There's a woman right next to you.

Sisters are doin' it for themselves.  
Standin' on their own two feet.  
And ringin' on their own bells.  
Sisters are doin' it for themselves.

Now we ain't makin' stories  
And we ain't layin' plans  
'Cause a man still loves a woman  
And a woman still loves a man  
(Just a same though)
