

Eurythmics, THE KING & QUEEN OF AMERICA

Well c'mon darlin'
The stars are burning bright
C'mon now darlin'
Our lick is good tonight -
'Cause we're the all time winners
In the all time loser's game
Yea we're the all time winners
And here we go again

The king & queen of America...

Yea it's the king of nothing
And the queen of rage
With a pile of confusion
Upon a glittering stage
You know we never did anything
To make ourselves feel proud
You know we never did anything
So let's play it loud

Let's hear it for the -
King & queen of America...

At the mention of your name,
Now there's a cool breeze blowin'
Blowin' down the track -
That's where I'm goin'
And I'm never comin' back...

My my - baby's gonna cry
My my - baby's gonna cry
My my - baby's gonna cry
Tonight - oh yea...

Now there's nothing
Comes from nothing
That's what they always say
Didn't mama tell ya
That's the price you have to pay?
Now you can't have
Your piece of cake
And eat the sweet thing too
But that kind of understanding
Isn't good enough for you
My my - baby's gonna cry
