

# Eurythmics, Was It Just Another Love Affair?

You don't call me anymore  
But don't you think that I don't care  
I check the numbers every night  
Just to see if you are there  
Was it just another love affair?  
Was it just another love affair?

My clock goes ticking through the night  
Counting the seconds I don't sleep  
I wish that I could turn back time  
But some things we'll never meant to keep  
Was it just another love affair?  
Was it just another love affair?

It will never be the same  
It will never be the same

It will never be the same  
Without you

Will never be the same  
Will never be the same  
Will never be the same  
Will never be the same  
Will never be the same  
Will never be the same  
Will never be the same  
Will never be the same  
Never be the same

Was it just another love affair?  
Was it just another love affair?
