

# Eurythmics, When Tomorrow Comes

underneath your dreamlit eyes  
shades of sleep have driven you away  
the moon is pale outside  
and you are far from here  
breathing shifts your careless head  
untroubled by the chaos of our lives  
another day - another night  
has taken you again my dear  
and you know that I'm gonna be the one  
who'll be there  
when you need someone to depend upon  
when tomorrow comes...  
when tomorrow comes...  
wait till tomorrow comes - yeah, yeah...  
wait till tomorrow comes - yeah, yeah...  
last night while you were  
lying in my arms  
and I was wondering where you were  
you know you looked just like a baby  
fast asleep in this dangerous world  
every star was shining brightly  
just like a million years before  
and we were feeling very small  
underneath the universe  
and you know that I'm gonna be the one  
who'll be there when you need  
someone to depend upon  
when tomorrow comes...  
when tomorrow comes...
