

Eurythmics, Wrap It Up

Wrap It Up

I've been watching you for days now
baby
I just love your sexy ways now baby
You now my love will never stop now
baby
Just put your loving in my box baby

Wrap it up - I'll take it

No more will I shop around baby
You know I've got the best thing in
town now baby

I've seen all I wanna see baby
What your loving means to me now
baby

Wrap it up - I'll take it

I'm gonna treat you like the queen
you are
Give you sweet things from my
candy jar
You've got treats you ain't ever used
Give it give it to me
It won't get abused
