

Eva Cassidy, You Take My Breath Away

Sometimes it amazes me,
How strong the power of love can be,
Sometimes you just take my breath away.

You watch my love grow like a child,
Sometimes gentle and sometimes wild,
Sometimes you just take my breath away.

And it's too good to slip by,
Too good too lose,
Too good to be there just to use.
I'm gonna stand up on a mountain top,
And tell the views
That you take my breath away.

Sometimes it amazes me,
How strong the power of love can be,
Sometimes you just take my breath away.

Your beauty is there in all I see,
And when I feel your eyes on me,
O don't you know you just take my breath away.

And it's too good to slip by,
Too good too lose,
Too good to be there just to use.
I'm gonna stand up on a mountain top,
And tell the views
That you take my breath away.

And it's too good to slip by,
Too good too lose,
Too good to be there just to use.
I'm gonna stand up on a mountain top,
And tell the views
That you take my breath away.

O yes you take my breath away.
