

Evan & Jaron, Marvin (Reprise)

tell me do you plan this pain
does it come down on you
like the rain
is there something I can say to you
I can't stop the storm
tell me do you plan this pain
does it come down on you
like the rain

is there something I can say to you
I can't stop the storm
tell me do you plan this pain
does it come down on you
like the rain
is there something I can say to you

I can't stop the storm...
