

Evan Taubenfeld, Razor Blade Limeaid

ahahahahahah ahahahah ah
I took my own advice, I put it over ice
I never seemed to listen when you pour
I didn't treat you right, so now I'm thinking twice
You look so pretty walking out my door
And you can be the captin and I can be the ship
You can be the razorblade going up my wrist
And everytime I see you smile
Girl you make me want to change
I'll try for you, I'll try for you
So tell me how to get you back
You got me going six feet under ground to prove
I'd die for you
ahahahahahah ahahahah ah
I know I've made mistakes
Let me make it straight
I'm sure its gonna to take more than a rose
It hit me like a quake, I know I've been a flake
I ain't gonna let this case be closed
You can be the lime, And I can be the twist
You can be the razorblade going up my wrist
And everytime I see you smile
Girl you make me want to change
I'll try for you, I'll try for you
So tell me how to get you back
You got me going six feet under ground to prove
I'd die for you
I want to kill the past
I want to make it last
Maybe I can get it over fast
Or maybe I can stick around to get you back again, yeah
And everytime I see you smile
Girl you make me want to change
I'll try for you, I'll try for you
So tell me how to get you back
You got me going six feet under ground to prove
I'd die for you
ahahahahahah ahahahah ah
