

# Evan Taubenfeld, Stubborn

Things used to be great, Now we can't relate  
And everyday is a struggle  
Somethings not right, you just want to fight  
Well go find someone else.

Cause you're not my type anymore  
Ref.

I don't wanna play your games  
I don't care, If I lose you today  
Cause you can't be satisfied by anything  
So try life without me,  
Nothing I do, Ever pleases you  
I wonder how you'd like that  
What should I say, you've made it this way  
And I'm supposed to fix this  
I don't feel like it

Ref.

I don't wanna play your games  
I don't care, If I lose you today  
Cause you can't be satisfied by anything  
So try life without me  
Its over now, we're finally through  
Its all because of you  
Don't know why I tried, you never cared  
I don't think that's fair.

Ref.

I don't wanna play your games  
I don't care, If I lose you today  
Cause you can't be satisfied by anything  
So try life without me (2x)
