

# Evanescence, Bleed

How can I pretend that I don't see  
What you hide so carelessly?  
I saw her bleed  
You heard me breathe  
And I froze inside myself and turned away  
I must be dreaming

We all live (and)  
We all die (but)  
That does not begin to justify you

It's not what it seems  
Not what you think  
No, I must be dreaming  
It's only in my mind  
Not the real life  
No, I must be dreaming

Help! You know I've got to tell someone  
Tell them what I know you've done (you've done]  
I fear you  
But spoken fears can come true

We all live (and)  
We all die (but)  
That does not begin to justify you

It's not what it seems (not what it seems)  
Not what you think (not what you think)  
No, I must be dreaming (I must be dreaming)  
It's only in my mind (just in my mind)  
Not the real life (not real life)  
No, I must be dreaming (I must be dreaming)

We all live (and)  
We all die (but)  
That does not begin to justify you

It's not what it seems (not what it seems)  
Not what you think (not what you think)  
No, I must be dreaming (I must be dreaming)  
It's only in my mind (just in my mind)  
Not the real life (not real life)  
No, I must be dreaming (I must be dreaming)

Not what it seems  
Not what you think  
I must be dreaming  
Just in my mind  
Not real life  
I must be dreaming
