

# Evanescence, Everybody's Fool (Demo V.2)

Perfect by nature  
Icons of self indulgence  
Just what we all need  
More lies about a world that

Never was and never will be  
Have you no shame? Don't you see me?  
You know you've got everybody fooled

Look! Here she comes now  
Bow down and stare in wonder  
Oh! How we love you  
Too bad we didn't know she

Never was and never will be  
You don't know how you've betrayed me  
And somehow you've got everybody fooled

The dynamic of symmetrical social riots  
Can be summed together in broad statements  
That what has become blueprint for all  
And all have been reduced to the space of one

I know the truth now  
I know who you are  
And I don't love you anymore

It never was and never will be  
You don't know how you've betrayed me  
And somehow you've got everybody fooled

It never was and never will be  
You're not real and you can't save me  
Somehow now you're everybody's fool
