

# Evanescence, Imaginary 2.0

I linger in the doorway  
Of alarm clock screaming monsters calling my name  
Let me stay  
Where the wind will whisper to me  
Where the raindrops as they're falling tell a story

In my field of paper flowers  
And candy clouds of lullaby  
I lie inside myself for hours  
And watch my purple sky fly over me

Don't say I'm out of touch  
With this rampant chaos, your reality  
I know well what lies beyond my sleeping refuge  
The nightmare I built my own world to escape

If you need to leave the world you live in  
Lay your head down and stay a while  
Though you may not remember dreaming  
Something waits for you to breathe again

In my field of paper flowers  
And candy clouds of lullaby  
I lie inside myself for hours  
And watch my purple sky fly over me
