

Evanescence, Imaginary 2.0

I linger in the doorway
Of alarm clock screaming monsters calling my name
Let me stay
Where the wind will whisper to me
Where the raindrops as they're falling tell a story

In my field of paper flowers
And candy clouds of lullaby
I lie inside myself for hours
And watch my purple sky fly over me

Don't say I'm out of touch
With this rampant chaos, your reality
I know well what lies beyond my sleeping refuge
The nightmare I built my own world to escape

If you need to leave the world you live in
Lay your head down and stay a while
Though you may not remember dreaming
Something waits for you to breathe again

In my field of paper flowers
And candy clouds of lullaby
I lie inside myself for hours
And watch my purple sky fly over me
