

# Evanescence, What You Want

Do what you, what you want  
If you have a dream for better  
Do what you, what you want  
'til you don't want it anymore (remember who you really are)

Do what you, what you want  
Your world's closing in on you now (it isn't over)  
Stand and face the unknown (got to remember who you really are)

Every heart in my hands  
Like a pale reflection

Hello, hello, remember me?  
I'm everything you can't control  
Somewhere beyond the pain  
There must be a way to believe  
We can break through

Do what you, what you want  
You don't have to lay your life down (it isn't over)  
Do what you, what you want  
'til you find what you're looking for (got to remember who you really are)

But every hour slipping by  
Screams that I have failed you

Hello, hello, remember me?  
I'm everything you can't control  
Somewhere beyond the pain  
There must be a way to believe

Hello, hello, remember me?  
I'm everything you can't control  
Somewhere beyond the pain  
There must be a way to believe

There's still time  
Close your eyes  
Only love will guide you home  
Tear down the walls and free your soul  
'Til we crash  
We're forever spiraling  
Down, down, down, down

Hello, hello  
It's only me infecting everything you love  
Somewhere beyond the pain  
There must be a way to believe

Hello, hello, remember me?  
I'm everything you can't control  
Somewhere beyond the pain  
There must be a way to learn forgiveness

Hello, hello, remember me?  
I'm everything you can't control  
Somewhere beyond the pain  
There must be a way to believe  
We can break through

Remember who you really are  
Do what you, what you want
