Eve, Let Me Be

[Verse 1]

Yo, yo, many they pop shit, but me I drop shit, and they cop it Stay to myself most the time, but still they plot shit Bitches that's unstable, I can't be involved 'Less they wanna take it back to the street, and problem solve Touchin y'all, but me I try to chill on the chicken shit Sit back, do Eve, mastermind my business shit You dat, screw all these cats, that's tryin to end this shit Hate me for the rest of your life, I'm just beginnin it

[CHORUS: 2X] Na, na, na, naa... You wanna Ryde right Na, na, na, naaa... Say anything for the limelight Na, na, na, naaa... Just need to Let Me Be Na, na, na, naaa... Do you, cuz l'ma do me

[Verse 2]

Yo, am I made up? Just my make up, nothing fake though. Bitches generate bullshit, I generate dough On the roll now, got control and I'ma keep it Made my move, while y'all got comfortable, while y'all was sleepin I remember bein broke and I aint tryin to fall back Nobody listened to my shit, and I aint get no call backs Aint no way that I could have it then lose it Take my word, I'ma keep slangin shit, makin hits, niggas ya heard?

[CHORUS 2X]

[Verse 3] Yo, ayo, ayo, can you deal with the wild one When she comes around trottin down Stallion Got they mouths open now Bitches frown and I care less, just to get attention They would wear less, stayin mad at me, but I'm they fearless Ryde or Die Chick, you know how I get down Fifty dogs or more when I come through how I get 'round Got enough stress on my brain, size of stress from you dames And I aint even stressin no names Cuz I'm different, nothin like you bratty chicks bitchin Nothing like you whining ass niggas that's scared of itchin What is it you really want Beggin for your chance then you front Prayin for a way that you could stunt, on this one here E V E is ready for your fakin all year Smile in my front, no use they heated at my rear Told you from the first attack you should been prepared Huh, shoulda listened

[CHORUS TO END]
