They?re like

Oh, she bad, bad, oh, she bad, bad  
Oh, she bad, bad, oh, she bad, bad  
Oh, she bad, bad, oh, she bad, bad  
Oh, she bad, bad.

Yeah, that?s right, I?m back at it,  
I?m E.V.E., the cataclysm  
I blow up the fucking water, kill ?em dead, call escorta  
Ain?t my fault, I had to feel that, had to get it out my system,  
Now I?m back, forget about them other chicks,  
Man, you won?t miss ?em.  
Yeah, E.V.E. hungry like a lion,  
I ain?t never easy, never scared, why you?re trying?  
You?re here and make me sick,  
What you selling I ain?t buying  
Man, I live it better tough so you keep coming,  
No, they can never catch up.  
Me, I?m the chick that keep ?em under pressure.  
And every nigger smell it up, asses up.  
They say they will protect her,  
But really they just want kiss and caress her.  
Now sit your ass down,  
?cause class is now a session, they?re like

Oh, she bad, bad, oh, she bad, bad  
Oh, she bad, bad, oh, she bad, bad  
Oh, she bad, bad, oh, she bad, bad  
Oh, she bad, bad, oh, she bad, bad

When they see me coming at ?em,  
Hills and hips, they wanna grab ?em,  
Lips and eye starring at ?em, mesmerized, gotta have it,  
Want it, that become my habit.  
Need it, always what you had it.  
Ever lucky enough to grab it,  
Guarantee we?re coming to have it.  
Yeah, the type of chick to like them big trips,  
Big jets, mega yahts, yeah, big ships  
Wanna get all my affection?  
Here?s a big tip, I need to see that you abort ship.

Man, I ain?t playing with you, people,  
You know my style?s already scoopy and she stink,  
Though I ain?t even got no patience for your bullshit I can see through  
I got bored easy, sorry,  
I must leave you, got ?em singing like

Oh, she bad, bad, oh, she bad, bad  
Oh, she bad, bad, oh, she bad, bad  
Oh, she bad, bad, oh, she bad, bad  
Oh, she bad, bad, oh, she bad, bad

You know my style?s already scoopy and she stink,  
You know my style?s already scoopy and she stink,
