

Even Stevens, Dancing Queen

Ooohhh

You can dance, you can Jive,
having the time of your life

Oooohhhh

See that girl, watch that scene, digging the Dancing Queen

Friday night and the lights are low

Looking out for a place to go

Where they play the right music, getting in the swing

You come to look for a king

Anybody could be that guy

The night is young and the music's high

With a bit of rock music, everything is fine

You're in the mood for a dance

And when you get the chance...

You are the Dancing Queen, young and sweet, only seventeen

Dancing Queen, feel the beat from the tambourine (oh-yea)

You can dance, you can Jive

having the time of your life

Oooohoo See that girl, watch that scene, digging the Dancing Queen

You're a teaser, you turn 'em on

Leave them burning and then you're gone

Looking out for another, anyone will do

You're in the mood for a dance

And when you get the chance...

You are the Dancing Queen, young and sweet, only seventeen

Dancing Queen, feel the beat from the tambourine (oh yea)

You can dance, you can Jive

Oh having the time of your life

ohh ooh ee that girl, watch that scene, digging the Dancing Queen

(repeat once)
