

# Even Stevens, Sweet Potato Pie (From Bakin Wit

Your all covered with hot marshmallows.

Your sticky and sweet you're my number one thanksgiving treat. Oh yea. Whoo.

My oh my, I love sweet potato pie!

You can keep your valentine chocolates and your eggnog. Christmas nights yeah

I want a sweet, sweet, sweet potato pie. Its this boy favorite holiday glass.

Were going one more time... I said my oh my. I love sweet potato pie!

Now I've tried all the others but I don't give a dang about pumpkin, apple, or that lemon marange.

Its dessert I dream about it's a holiday must

It's the food of the angels its even in a crust.

Yeah my oh my.. yeah I love sweet potato pie!
