

Everclear, Bad Connection

Morning, this morning the curtains are shut
I'd ring you in the morning but the phone's been cut
Can you hear me, I've been calling all day
Can you hear me
The radio reporter said the line's all dead
He told me that I oughta write a letter instead
Can you hear me, I've been calling all day
Can you hear me

Yes I'd wish they'd fix the wires cause my baby won't know
That I'm leaving in the morning and I'm ready to go
Can you hear me
Can you hear me at all
Gotta get the operator, make a telephone call

And if I write a letter it won't get there on time
I'll only reach you baby on the telephone line
Can you hear me, I've been calling all day
Can you hear me
My car's all ready and my bags are all packed
I'm late already and I won't be back
Can you hear me, I've been calling all day
Can you hear me

chorus 3x

Can you hear me at all?
