

# Everclear, Slide

we were fading like the bottom of a bad dream  
we would heading south, looking for a good time

faces look so pretty in the spotlight  
all blown out, & bathed inside a world of white

sometimes i feel like im holding it together  
sometimes i feel like everything is fine  
sometimes i feel like im out of control  
i feel like im fallin, like my life is on a slide

slide(x5)

it was sunny on the streets  
down there by the water  
we would get hammered on the beach  
right down by the water

she was slightly out of reach  
a rich man's only daughter  
i think she slept with me  
just so she could piss off her father

i am elastic  
i am easy with the damage  
i am ecstatic  
i am hungry for the climb

sometimes a feel like im fallin apart  
i feel like i am falling, like my life is a slide

slide(x4)

i know its wrong, but i just cant seem to act my age  
i know its wrong, but i just cant seem control my rage

my heart is racing & I'm losing my mind  
sometimes i feel like my life is on a slide

those faces look so scary in the harsh light  
all blown out, & bathed inside a world of white

we were shinin like the good part of a bad time  
we were laughin, happy just to be along for the ride

sometimes i feel like i am really lucky  
i have made it through, bruised & scarred & half alive

sometimes i feel like i am out of control  
i feel like i am fallin, like my life is on a slide

yes i know its wrong, but i just cant seem to act my age  
yes i know its wrong, but i just cant seem control my rage

my heart is racin & im losing my mind  
sometimes i feel like my life is on a slide
