

Everclear, Song From An American Movie

The only thing that ever made sense to me
Is the words to a song from an american movie
The only thing that ever made sense in my life
Is the sound of my little girl laughing
Through the window of a summer night
I sit alone in the back yard
Wish that I could be inside
Just the sound of my little girl laughing
Makes me happy just to be alive
Makes me happy just to be alive
Makes me happy just to be alive
Makes me happy just to be alive
