

# EverGreen, Freight Trains And Windsongs

Feeling i could never be with  
twenty one of these, and to hear how many  
times you talked about yourself.  
last time i tried, her name was  
freight trains and Windsongs.  
and time seems answer fast with me.  
i'll come to you,  
love than you'll be interested in me.  
interested with me.  
serenade you- smoking.  
i guess you've played the game.  
you watched me.  
the wind.
