Evergreen Terrace, The Kids Aren't Alright

[Offspring Cover]

When we were young the future was so bright The old neighbourhood was so alive And every kid on the whole damn street Was gonna make it big and not be beat

Now the neighbourhood's cracked and torn The kids are grown up but their lives are worn How can one little street Swallow so many lives

Chances thrown
Nothing's free
Longing for what used to be
Still it's hard
Hard to see
Fragile lives
Shattered dreams

Jenny had a chance, well she really did Instead she dropped out and had a couple of kids Mark still lives at home cause he's got no job He just plays guitar and smokes a lot of pot

Jay committed suicide Brandon od'd and fucking died What the hell is going on The cruellest dream, reality

Chances thrown
Nothing's free
Longing for what used to be
Still it's hard
Hard to see
Fragile lives
Shattered dreams
