

# Evergreen Terrace, (Untitled Track)

You say everything comes if you don't turn your back  
And I wait everyday sometimes it's patience I lack  
Because it's just more of the same, more of the same  
And I just need you to remember my name  
More of the same, more of the same, and I just need you

It takes all of me to keep my eyes off of the floor  
And this makes tomorrow seem harder than ever before  
Because it's just more of the same, more of the same  
And I just need you to remember my name  
More of the same, more of the same, and I just need you to remember my...  
Why does this seem to be right in front of me  
Intangible dreams we pursue  
Why it's so hard to see is eluding me  
I can't believe that it's true

More of the same, more of the same  
And I just need you to remember my name  
More of the same, more of the same, and I just need you.
