

# Evergrey, End Of Your Days

I've tried it all  
It's gone too far  
And worst of all  
Is the promise that I can't keep

I have emptied every source  
I have learned all there is to know

To stand by as you wither  
To watch your spirit drain  
I just wish that hope could last forever  
Last forever

So here we are...  
The end of your days  
So here we are  
I have lost, I have failed  
My promise not kept and I'm sorry

I have emptied every source  
I have learned all there is to know

So here we are  
Holding hands at the end of days  
Your eyes slowly shut  
Your hand lets go and I kiss you farewell  
Farewell...

So here we are  
The end of your days  
So here we are  
The end of your days

So here we are  
I have lost, I have failed  
My promise not kept and I'm sorry  
So here we are  
I promised hope forever but I'm sorry
