

Everlife, Daring To Be Different

Oooh woah oh

My first thought said with no lie
You'll get lost this time
If you don't know where you're going
My second thought said
It's okay
Okay to change
It's time you started growing

So there I stood without a clue
My head trying tell me what to do
My heart started playing tug-o-war
Like it's out of my hands

Fearless, well I'm scared to move
I'm overdue
Daring to be different
Scream yes
Yeah, I'm awake
I will not break
Daring to be
Daring to be different

The whole world tells me
If I choose wrong
I won't belong
I better make the right decision
But what they do
And what they say
Are not the same
They're a spinning contradiction

Is this the old that they call new
Dizzy from all their points of view
Closing my eyes while breathing in
Look up, let go, no hands

Fearless, I'm scared to move
I'm overdue
Daring to be different
Scream yes
Yeah, I'm awake
I will not break
Daring to be
Daring to be different (different)
Oooh yeah
(different) Daring to be different
Ooh, oooh

Fearless, well I'm scared to move
I'm overdue
Daring to be different
Scream yes
Oh yeah, I'm awake
I will not break
Daring to be different

Fearless, I'm scared to move
I'm overdue, I'm overdue
I'm daring to be different
Scream yes

Yeah yeah yeah, I'm awake
I will not break
I will not break
Daring to
Daring to be different
Oooh woah oh yeah
