

# Everlife, Now Or Never

Where's the balance  
Where's our common ground  
I've been hoping lately you'll come around  
Time has changed me  
Brought me to my knees  
Taught me how to break free  
No more wasting precious life

Right now I've had enough  
I'm on the edge of breaking down  
The time has come for me to choose  
There's nothing to lose  
It's now or never  
It's now or never, oh

Here's your last chance  
To make this something more  
It could be better than it was before  
You don't get it  
You keep holding back  
You're living in the past  
I've made my choice now  
You decide

Right now I've had enough  
I'm on the edge of breaking down  
The time has come for me to choose  
There's nothing to lose  
It's now or never

(I am stronger when I'm down)  
I am stronger  
When I'm down on my knees  
(Lift my hands and sing)  
I lift my hands and sing  
Despite of all these things

Right now I've had enough  
I'm on the edge of breaking down  
The time has come for me to choose  
There's nothing to lose

Right now I've had enough  
I'm on the edge of breaking down  
The time has come for me to choose  
I have no excuse  
There's nothing to lose  
It's now or never  
It's now or never  
It's now or never  
It's now or never

Oh oh woah oh yeah  
Woah woah oh yeah  
Right now  
It's right now  
Yeahhhhhh
